

CALL FOR PAPERS – MidSouth APMS 2022 MEETING

The MidSouth APMS 40th Annual Meeting will be held October 24-26, 2022, in Mobile, AL. We are looking for papers on new and innovative herbicide application and mechanical techniques in aquatic and natural areas – (mixtures innovative control measures, re-vegetation projects, new exotic plant introductions, research projects, regulatory or policy issues, etc.) We welcome talks from researchers, students, scientists, applicators, and other field personnel. You don't have to be a professional speaker in order to present a paper. MidSouth APMS wants to give the aquatic plant managers at the annual conference a chance to share what you have learned over the last year with other members.

All registration fees will be waived for students who present during the general sessions

NEW to MidSouth APMS, Resource Manager Paper Award (RMPA), this year the Society is reaching out to try and get our applicators and aquatic plant managers to give a presentation on some of their greatest accomplishments and struggles to layout an interactive collaboration between all the society's members. All participants in the Resource Manager Paper competition will receive a personalized certificate. **Awards will be given to 1st, 2nd, and 3rd Place Winners.**

In addition to these prizes, **the first three to sign up for the RMPA will receive a prize for participating**

Only 1 individual can be awarded a sign-up prize per entity
